"Let's go Camping"

RVers of Idaho

May 2025 Newsletter

The month of April has just flown by. It seems like we just got home a few days ago and it's time for the May newsletter. Spring is nearly half over. Some of you have already started your camping season, I know Time to Travel has been out, and I'm pretty sure Capitol Gypsies have also. I'm looking forward to seeing our members at the June Rally in Glenns Ferry, the registration form is posted on the website now and can be downloaded. Tim and the committee have put together a great itinerary. It should be an enjoyable time.

Another sad note, we just learned that Virgil Tinker passed away on the 20th of March. We haven't heard anything about services for him. I also made a mistake in the April newsletter about the memorial service for Frank Sargent, it will be May 22nd at 10:30 at the Senior Center in Grangeville.

RV TIPS: For this month I will talk about surge protectors. It is important to use a surge protector, however they can present a problem. While in Yuma, we had our power go out and it seems that our surge protector created the problem. The neutral wire in the power pedestal burned and when the electrician repaired the wire he found that our surge protector had resistance in the neutral wire in it. I will give a demonstration on how to check for resistance while we are at Glenns Ferry

MONTHLY FUNNIES: What do you call it when you get sushi at a discount? A raw deal. Why don't eggs tell each other jokes? They would crack each other up.

Ken & Monica

***HAPPY CAMPING HOPE TO SEE YOU
IN GLENNS FERRY!***
